OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE, BANGALORE.

Notification No. 21, *dated* 21*st August* 1930.

There are at present 4 Government Adikarnataka Free Boarding Homes for Middle School pupils at Mysore, Tumkur, Hassan and Chikmagalur with a strength of 225, 75, 60 and 50 respectively, besides a free Government Hostel for High School students with a strength of 154 boarders and a free Government Adikarnataka Boarding Middle School for girls with a strength of 30 at Bangalore.

A number of representations have been received from the Adikarnatakas for the establishment of Government free boarding homes at District Headquarters where there are none at present. Similar representations have also been received from important Adikarnataka centres such as Malvalli, Hanuvadi, Dodballapur, etc. It is found not possible to comply with the demand made from every quarter for free Government Boarding Homes, owing to the prohibitive cost of their maintenance. But considering the great rush for admission to the Government Boarding Homes and also the fact that there would be increasing demand for the present type of boarding homes with the increase in the number of Adikarnataka children in Middle Schools, Government, with a view to encourage the starting of aided hostels to meet the growing need of the community for hostels, have been pleased to sanction in their order No. D. 13690-91—Edn. 834-28-2, dated 27th June 1929, in the case of private hostels for Adikarnatakas, the grant of one half of the boarding charges subject to a maximum of Rs. 3 per mensem per boarder in addition to the other concessions under the Grant-in-aid rules in force which are (1) the full cost of establishment and (2) rent: (the "establishment" includes Warden, cook, waterman, peon and sweeper where these are found necessary).

It is hoped that the Adikarnataka public at large and the leaders of the community in particular will take full advantage of the concessions offered by Government by starting private hostels at important centres, where, such of the students of the community as do not get admission to the Government hostels for lack of accommodation in them, may have the benefit of hostel life and its advantages at comparatively very low cost. It should be remembered in this connection that most of the Adikarnataka boys are likely to get scholarships in which case, it would not be a hardship for the boys to pay towards a part of their boarding charges.

The Inspecting Officers of the Department have been requested to render all possible help to individuals or organisations that come forward to start aided Adikarnataka Hostels.
